Temple Physicians comes aboard with Healthcare IP's full suite of SCALE 'intelligent RCM' products

Healthcare IP, a leader in revenue cycle management and integrated clearinghouse services is pleased to announce that Temple Physicians, Philadelphia, PA, will be going live with the company's suite of RCM and HIPAA transaction processing solutions and services.

'We look forward to engaging with Temple Physicians and working with their team towards our go-live. We have deep roots in Pennsylvania with other Academic client sites, and it's a privilege of ours to implement and provide on-going products and client services for Temple Physicians' - says Wayne Strong, VP, Client Services with Healthcare IP.
