## **Temple Physicians comes aboard with Healthcare IP's full suite of SCALE 'intelligent RCM' products**

Healthcare IP, a leader in revenue cycle management and integrated clearinghouse services is pleased to announce that Temple Physicians, Philadelphia, PA, will be going live with the company's suite of RCM and HIPAA transaction processing solutions and services.

'We look forward to engaging with Temple Physicians and working with their team towards our go-live. We have deep roots in Pennsylvania with other Academic client sites, and it's a privilege of ours to implement and provide on-going products and client services for Temple Physicians' - says Wayne Strong, VP, Client Services with Healthcare IP.

### **About Healthcare IP:**

Healthcare IP is a leader in healthcare technology solutions and services focused on the revenue cycle management objectives of each client. H.IP is a responsive and collaborative partner to some of the country's top healthcare providers, from individual hospitals and physician groups to major integrated health systems and academic medical centers. The company's proprietary SCALE® technology delivers integrated, scalable and customizable solutions proven to improve operational efficiencies and financial performance. From all-payer clearinghouse services to denial management automation driven by deep analytic insight, it is continually improving client performance and satisfaction. Lead by innovators with executive experience at industry-shaping IT companies and large health systems, H.IP brings expertise, value and a well-rounded perspective to every client relationship. Corporate offices in Oklahoma City, Oklahoma and regional offices in Tampa, Florida and Charlotte, North Carolina.
