### **King's Daughters Medical Center goes live with Healthcare IP**

Healthcare IP, a leader in revenue cycle management and integrated clearinghouse services is pleased to announce that King's Daughters Medical Center has gone live with the company's suite of SCALE RCM solutions and services.

"Our teams worked great together, and glad to see the dividends it's paying to King's Daughters" says Wayne Strong, VP, Client Services with Healthcare IP.

### **About Healthcare IP:**

Healthcare IP is a leader in healthcare technology solutions and services focused on the revenue cycle management objectives of each client. H.IP is a responsive and collaborative partner to some of the country's top healthcare providers, from individual hospitals and physician groups to major integrated health systems and academic medical centers. The company's proprietary SCALE<sup>®</sup> technology delivers integrated, scalable and customizable solutions proven to improve operational efficiencies and financial performance. From all-payer clearinghouse services to denial management automation driven by deep analytic insight, it is continually improving client performance and satisfaction. Led by innovators with executive experience at industry-shaping IT companies and large health systems, H.IP brings expertise, value and a well-rounded perspective to every client relationship. Corporate offices in Oklahoma City, Oklahoma and regional offices in Tampa, Florida and Charlotte, North Carolina.
