## **Healthcare IP earns coveted Oklahoma Hospital Association endorsement**

Healthcare IP, a leader in revenue cycle management and integrated clearinghouse services is pleased to announce their exclusive endorsement of the Oklahoma Hospital Association for the company's suite of SCALE RCM and clearinghouse services, including patient eligibility transactions.

“Earning the endorsement of your home state Hospital Association, is special in many ways. It's an honor and privilege for our team. We look forward to our work ahead and continued collaboration with the OHA team on initiatives that delivers value and financial savings to Oklahoma hospitals and healthcare organizations across the state.” says Brent Grimes, Executive Vice President, RCM at Healthcare IP.

### **About Healthcare IP:**

Healthcare IP is a leader in healthcare technology solutions and services focused on the revenue cycle management objectives of each client. H.IP is a responsive and collaborative partner to some of the country's top healthcare providers, from individual hospitals and physician groups to major integrated health systems and academic medical centers. The company's proprietary SCALE® technology delivers integrated, scalable and customizable solutions proven to improve operational efficiencies and financial performance. From all-payer clearinghouse services to denial management automation driven by deep analytic insight, it is continually improving client performance and satisfaction. Led by innovators with executive experience at industry-shaping IT companies and large health systems, H.IP brings expertise, value and a well-rounded perspective to every client relationship. Corporate offices in Oklahoma City, Oklahoma and regional offices in Tampa, Florida and Charlotte, North Carolina.
